## Dedication

Every design needs continuity. Boys' Vice-Principal Carl Buck provides the continuity of the design at San Gabriel. Possibly the most often heard words around school are "See Mr. Buck!" In school affairs, from buying a Christmas tree to advertising a basketball game, Mr. Buck is ready to help. When there is a problem, whether it concerns the entire school or an individual student, Mr. Buck does all he can to solve it. One of the most popular figures at S.G.H.S., he is respected by all. It is with great admiration and thankfulness for his untiring work that the editor and staff dedicate the 1959 EL CAMINO REAL to our Boys' Vice-Principal:

MR. BUCK

Only a small part of the design which is San Gabriel High School, the Annual Staff nevertheless has a large job. There are deadlines to meet, pictures to take and copy to write.

The 1959 Annual Staff has put much work and sincerity into this year's El Camino Real. We hope you'll like it.

Ann, It's been  
real wonderful knowing  
you this year. I've had  
about Mrs. S. but that's  
how it goes.

The Board of Education and the Central Administration Staff complements this pattern as it meets and makes rules and regulations for the well-being of our high school. If some problem throws the design of school life askew, it is discussed and solved at the Board of Education meeting.

## Principal

The fundamental purpose of a high school is the same as it was before "Sputnik" — helping boys and girls to grow up to be young men and women. This progress of "growing up" involves intellectual, physical, and social development. Here at San Gabriel there is ample opportunity for the education of the student in each of these three phases of growth. My wish for each student is that he make the best possible use of his "School Days" here.

Make up begins!

"Play for me, Ellsworth."

One of the finest productions ever presented on the San Gabriel stage was the 1959 senior class play, **MRS. McTHING**. This delightful comedy, written by Mary Chase, was well accepted by capacity audiences at both performances.

**MRS. McTHING** offered many excellent opportunities for characterization as it starred characters ranging from gangsters and witches to Radcliffe graduates. Along with Pat Nelson, who did an outstanding portrayal of the sophisticated Mrs. Howard V. Larue III, George Woodcock played well the two personalities of Howay. Jim McNalis, as Poison Eddie Schellenbach, Pete L'Amoreaux, as Dirty Joe McGinnis, and Larry Rafferty, as The Stinker, all did excellent jobs as tough mobsters who were afraid of nothing—except maybe "Mama", expertly played by Diane Nungesser.

The members of the cast, the stage crew, the production staff, the student directors—Gayle Gemmell and Millie Smith—and particularly the faculty director—MR. DENNIS REED—should be proud of an excellent production.

"If you can do anything, kid, do it now or I'll belt ya."

"Where is my child?"

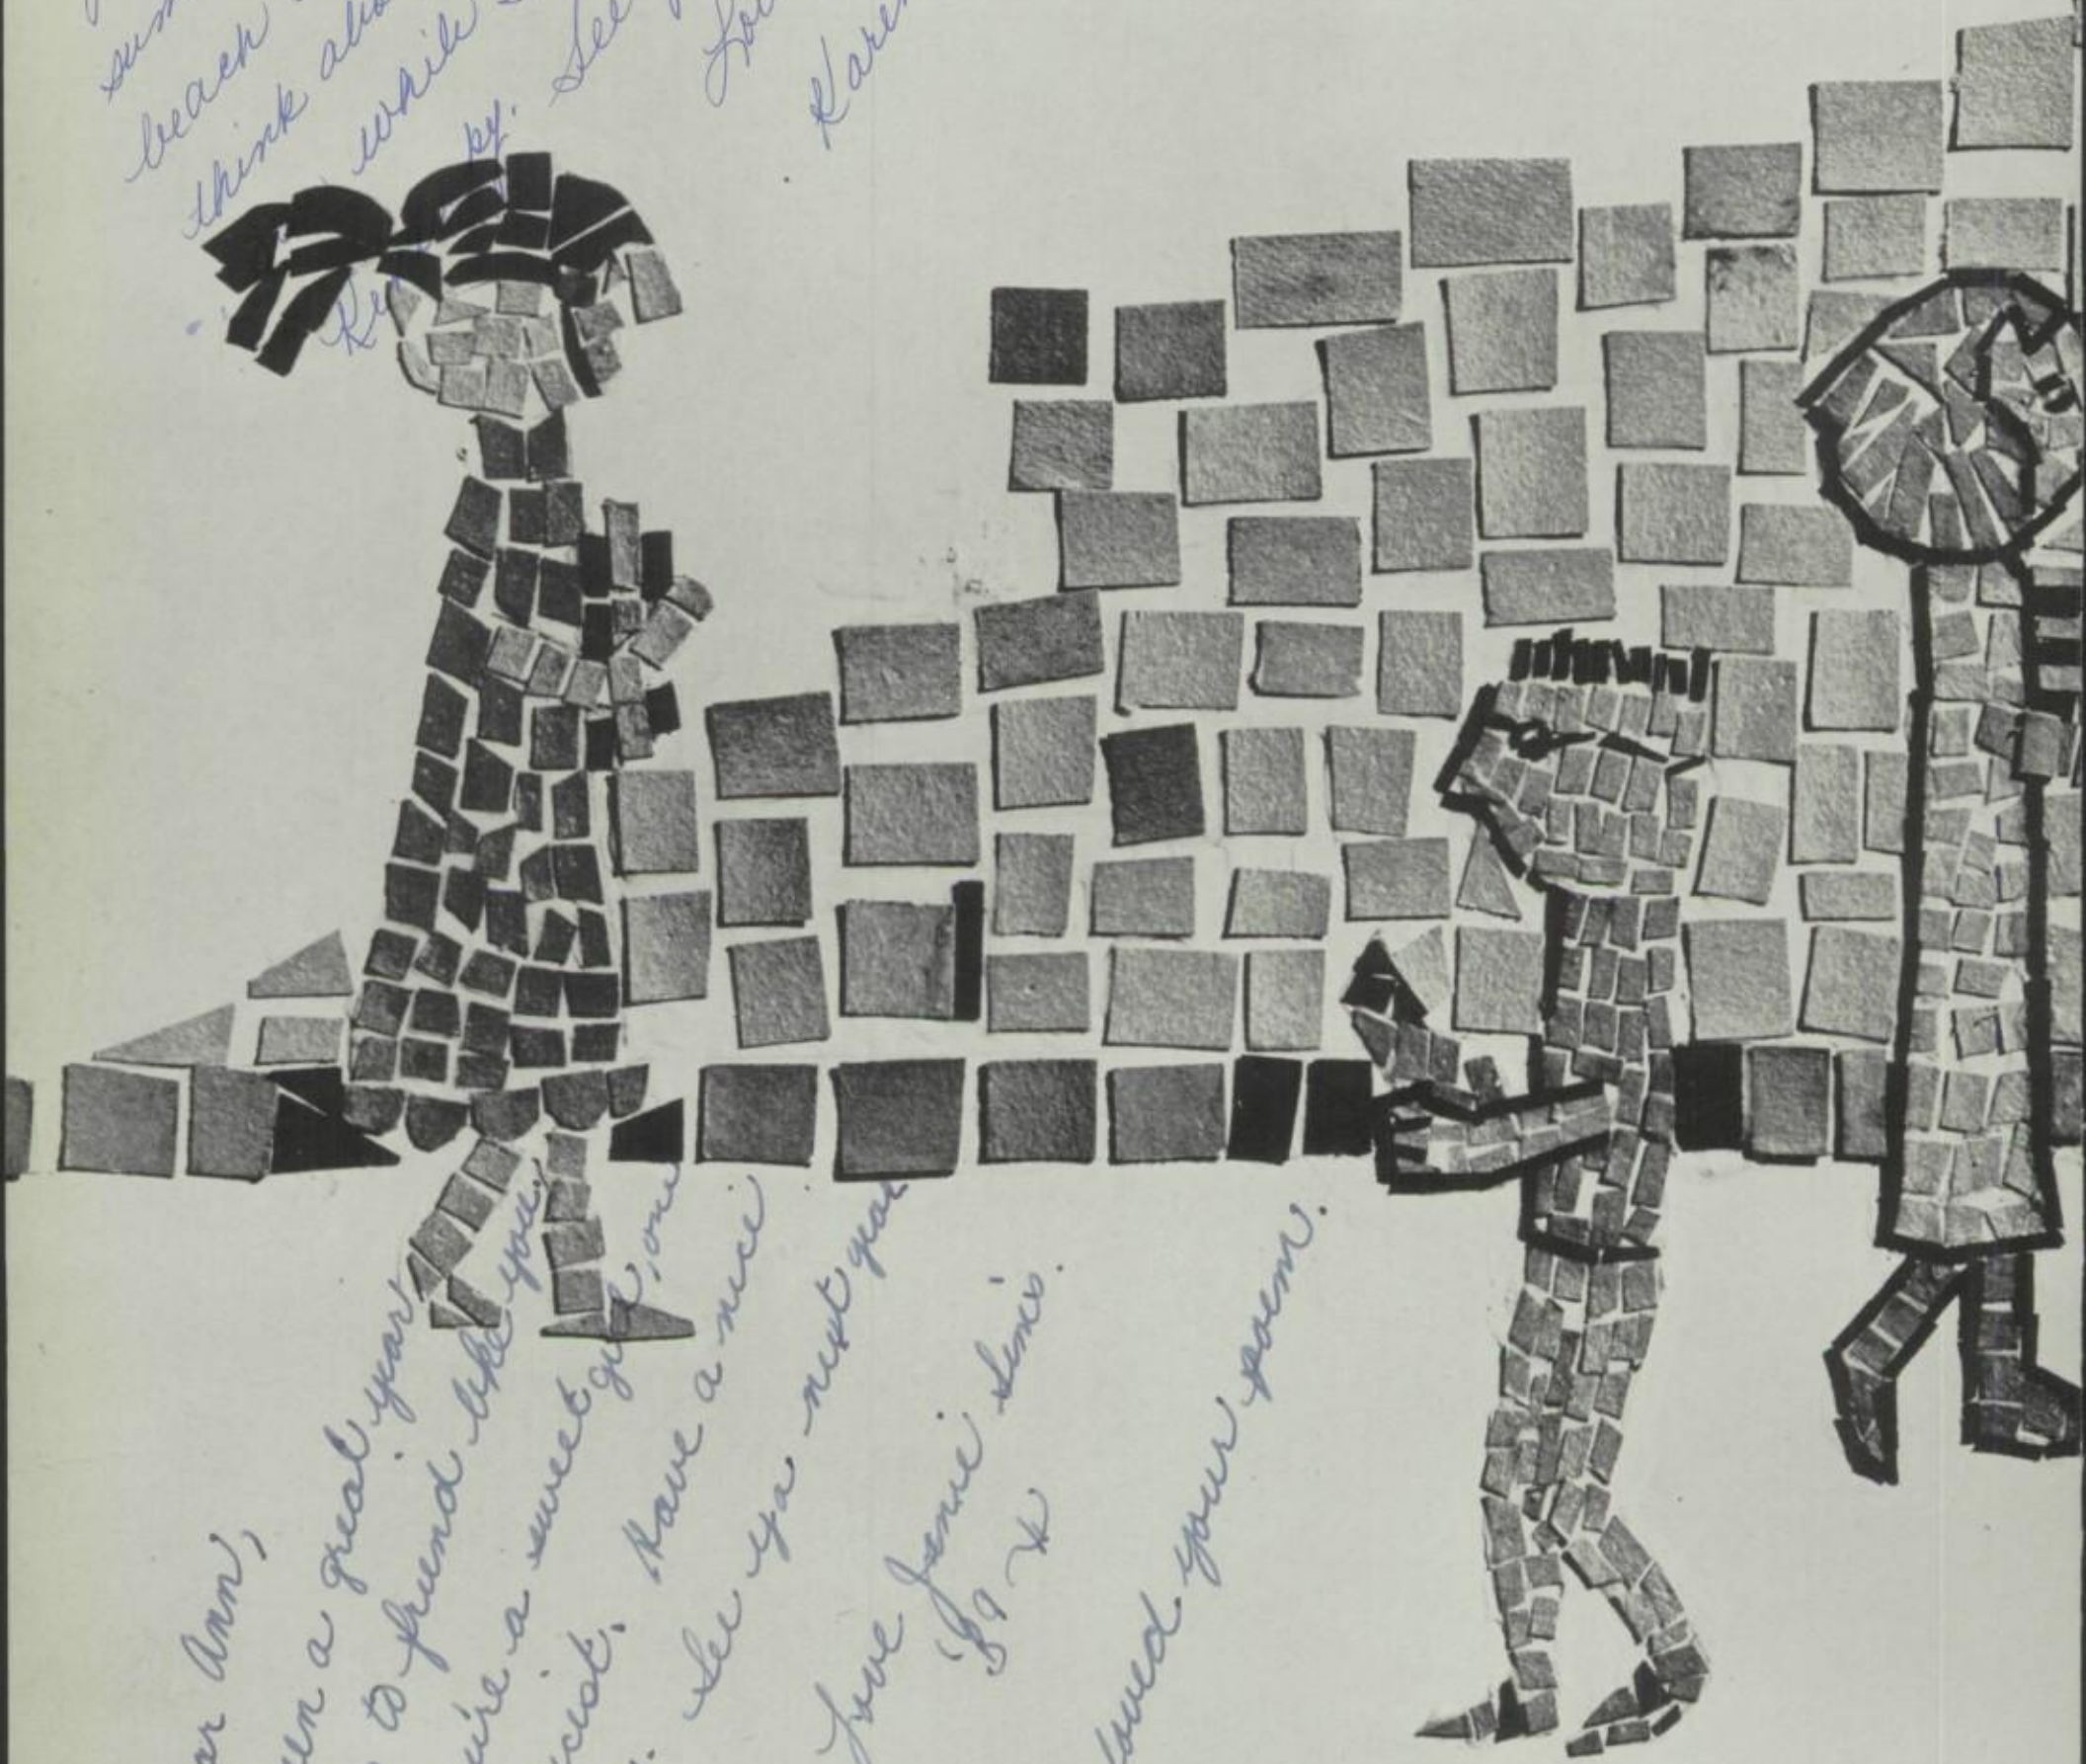

The cast bows to an enthusiastic audience

 Thanks to friend like you.  
 You're a sweet girl, one  
 of the nicest. Have a nice  
 summer. See you next year.  
 Love you  
 P.S. I loved your poem.

Ann,  
Hasn't English  
been a blast? I  
think we're all  
pretty glad to  
leave that  
room.  
Don't hate  
her too much.  
Can't wait  
till sum-  
mer & the  
beach.  
Good  
luck  
always

M A R T

Ann,  
It's been fun  
knowing you this  
year in geometry  
and future. Luck in the  
future.

Ann,  
 Being so calm usually  
 all the time you probably  
 think I'm barbaric. But I  
 hope we'll have loads of fun  
 with the club during summer  
 and I know your take will be  
 darker than mine.  
 Love, Dot O

Ann,  
 I'm sure glad  
 we got to know  
 each other and  
 in health. I think you are  
 really cute & sweet. All ways.  
 stay that way.  
 Betty

Ann (Ellen)  
I hope you didn't mind  
your nickname this year.  
It's been fun with you in  
geo. Have a blast this summer.  
You're a doll.  
Love & stuff,  
Donna.

Ann,  
I really think you're  
one of the nicest girls in  
the sophomore class. This  
year has gone so fast and  
I hope we are together  
in classes next year. Good  
luck to a wonderful girl.  
Love,  
Virginia

Ann,

Well, another year has passed  
and next year we'll be juniors  
(I'll bet you didn't know that)  
It's really been fun having you  
in club, gym, and health and  
safety. Don't you think that  
Miss Kirby is a wonderful  
teacher? I hope we have  
some classes together next  
year. Have fun this

Ann,  
good luck to a  
real sweet girl.

Love,  
Nancy Kimball

— Anne —  
you have  
been just a blast  
in English. Good  
luck with all the  
boys this summer,  
but don't flirt too  
much. Mary  
P.S. Don't do any-  
thing I'd do.

Ann  
you've been really great  
in all my classes this year.  
I'm sure glad were through  
with Johnson & Kirby.  
You're really cute and  
I hope you have a real  
crazy summer. See  
you maybe this summer  
and don't forget to  
come back to school  
next fall.  
lots of love  
Sally Whippin

Ann,

It's been wonderful having  
you in four of my classes (and yours).  
You're a real "brain" that is  
darling with a cute personality.  
Don't change. I hope all your  
dreams come true and that  
the rest of your days at S.H.H.S.  
are happy ones.

Love ya,  
Linda Canton

- Ann -  
Best of luck to  
a very sweet but  
quiet girl.  
Linda Martin

Ann,

Your "amber cathedrals"  
beautiful and you'll  
famous some day. I'll  
remember you and write  
articles entitled "I Went  
to School with Ann Franklin."

Love  
Joyce Futo

Ann  
Glad to have  
known you as  
a junior and hope  
to know you as a  
senior  
Steve

Ann,

at the beach -

Joan

Bob Wagar

Ann,  
You don't know  
how lucky you  
are, for not  
many people  
can have the  
famous Franklin  
signature. Have  
a cool summer  
and don't work  
too hard.

Rolly

P.S.

See you  
at the beach

Ann - you seem really  
neat getting to know  
you this year. I hope  
you're a darling girl & I  
really mean it. I hope

you are an upper classman. RAH!  
Have fun this summer.
